

INDUSTRIAL SOLUTIONS

Manufacturer line card | Puerto Rico & Dominican Republic

Tools, inspection, storage and custom manufacturing solutions for production and technical teams.

 SOLDERING & REWORK Soldering and desoldering systems, hot-air rework, tips and cartridges, and benchtop fume extraction.	 PRECISION HAND TOOLS Precision cutters, tweezers, pliers and specialty hand tools for electronics assembly, inspection and rework.
 WORKSPACE & STORAGE Modular workbenches, drawer cabinets and mobile storage for organized assembly, maintenance and laboratory areas.	 INVENTORY MANAGEMENT Software-driven industrial vending, tool and asset tracking, and point-of-use inventory control.
 INDUSTRIAL STORAGE Heavy-duty modular drawer cabinets, toolboxes, workstations and mobile storage for tools and parts.	 INSPECTION & METROLOGY Ergonomic stereo microscopes, digital 3D inspection and measurement systems for quality workflows.
 POLYMER PROCESS & TEST Melt pressure and temperature sensors, flow indexers and rheometers for polymer processing and quality control.	 ESD & CLEANING ESD workbench supplies, grounding, static-control meters, shielding packaging and critical-cleaning products.
 BINS & SHELVING Industrial bins and totes, bin systems, wire shelving, carts and heavy-duty polymer shelving.	 PHOENIX CABLES CUSTOM INTERCONNECTS Custom cable and harness assemblies, RF and ribbon cables, overmolding, power cables, braiding and box builds. phoenixcablespr.com
 ELECTRONIC COMPONENTS Surface-mount and leaded resistors, current-sense shunts, thermal sensors, inductors, fuses and varistors.
